

# WHO'S WHO IN YUDHOYONO'S INDONESIA

- ALL NEW 2010 EDITION -

## WHAT'S INSIDE?

- ❖ Career bio-data, profiles and assessments – covering 141 politicians, officials, parliamentarians and parties, including:
  - ✓ The president, vice president, and first family
  - ✓ The entire cabinet and cabinet-level posts, including heads of security forces and newly appointed finance minister
  - ✓ Strategic posts, including all vice ministers and selected director generals, state enterprise heads and provincial governors
  - ✓ Heads of the judiciary and independent institutions, including the central bank, Anti-Corruption Commissions, regulators, business chambers and religious organizations
  - ✓ Party chairs, parliamentary leadership, faction heads and legislative commission chairs
  - ✓ All nine parties in parliament
- ❖ Analysis of implications for investors and international organizations; original writing and research
- ❖ Also: an overview of state institutions, and an index of over 500 personal names
